WOLVERINES

April 2, 2020

Dear Parents/Guardians & Students,

Governor Reynolds has ordered schools closed through April 30, 2020 as of today. West Bend-Mallard will be following her order. She has also ordered that schools provide continuous learning opportunities for our students during this time. We have three options: do not provide these learning opportunities, provide voluntary educational enrichment opportunities, or provide required educational services. The district must decide by April 10, 2020 what option we are going to provide. The administration team, along with the teachers, will be deciding over the next few days as to the direction we will take. There is a lot of information to consider as we make our decision. Please know that we will weigh all our options and keep what is best for the students and families in mind. Watch for an update early next week as we work through the decision-making process.

As always, please feel free to email me with any questions you may have. I am working from home a lot of the time, so email is the best way to reach me. A reminder that our parks and facilities are closed throughout this time as well. Please practice social distancing so we can come back to school and return to our normal lives soon! Stay safe and healthy during this time!

Sincerely,
Amanda Schmidt
