Minutes

The meeting was called to order at 5:30 pm by President Tawny Hoover and Vice President Dave Bruellman. The following members were present: Tracy Dickey, Mitch Nielsen, Marsha Habben, and Beau Jergens for GCB and for WBM Chris Montag, Jillian Hansen, and Lisa Traub.

Visitors: Amanda Schmidt and Crystal Eggers

It was moved by Beau Jergens for GCB and Lisa Traub for WBM to approve the agenda. Seconded by Mitch Nielsen for GCB and Jillian Hansen for WBM. All ayes, motion carried unanimously.

The board members went around the room and introduced themselves and told how long they have been on the board. It was a consensus from the board that a major celebration for this year is to be in school in person and to have sports still going.

Superintendent Schmidt explained to the board how GCB is preparing our students for the transition to Middle School. Mr. Buhs is really working hard on working with the students and with the Middle School Staff at WBM to help get them prepared for the transition. Jessica Goodenow set up a google doc for 3-6th grade Teachers at both schools to put what they have used for curriculum so they can try to align curriculum at an earlier grade as well. In regards to teachers having opportunities to collaborate both schools are working on using some different professional development opportunities that the other school has used. We are now using the same professional development schedule at both districts to also try to collaborate more. We would like to try and bring some of our kids from WBM to GCB to observe the garden and greenhouse but with COVID have not been able to.

The Sharing Agreement was updated last year and is good till February 2022 and no changes are needed at this time.

Next meeting will be set later but will be in either March or April or 2021 and will be held in West Bend.

At 6:04 pm it was moved by Beau Jergens for GCB and Lisa Traub for WBM to adjourn. Seconded by Marsha Habben for GCB and Chris Montag for WBM. All ayes, motion carried unanimously.
